RATES OF ADVERTISING. Newspaper proprietors generally, and especially of this Newspaper proprietors generally, and specially of this fity, under the usages and regulations herefolore prevaling are called upon to perform more labor without remuneration, than any other class of community. The gratuitous publication of charity and religious advertisement, and communications, tributes of respect, obituaries, &c. &c., which can only be inserted at a heavy cost to the proprietor, imposes upon them a burden so onorous, that they feel called upon, in self-defence, to check the abuse, by making such publications a charge, to some extent at least, upon the parties more communication interested. In this they are but folties more numediately interested. In this they are but fol-lowing the example of the press in other cities, impelled by a sense of its intrinsic propriety, and imperative duty to themselves The subscribers have, therefore, united together in a mutual agreement, upon the to lowing specified terms or the publication of these as well as every sort of regular WOULD call the attention of their friends, and buyers in business advertising.

Our Own Importations will supply our For ign Department with all the new and desirable fabries rom the European markets—selected by one of the house, esident in Europe—and will be particularly adapted to our market.

Our Domestic and Staple Goods Departments will be supplied with all the leading style of Goods.

It is, we believe, an acknowledged fact that our Stock has always been one of the largest and most attractive in this country, and we also believe that the best buyers have become come convinced that our system of SHORT PROFITS AND PROMPT PAY is the most satisfactory.

We invite the attention of all close buyers to our Large and Attractive Stock, but with the distinct unlerstanding that we sell goods only for cash, or good notes expable in all cases at Bank. We shall from this date forward, adopt a new plan in connection with our Domestic Goods Department. We shall keep a full and complete assortment of Bleached, Brown d Colored Cotton Goods, which will be sold only for nett Cash. Our object in this is to supply these Goods as low as they are sold by each houses in the Northern cities. In order to test this feature of our business, we only ask a comparison of cash prices with time prices, and then we will leave the decision to the purchaser. From the three years' experience since the establishmer f our business, we are enabled the more condently to in vite attention to our steek and plans for business, believing

BLINDNESS PREVENTED!! J. H. SEMMONS, English Optician, late of the firm of newly invented and improved Spectacles, from the improved Spectacle Manufactory and Cornwall Optician establishment, East Bridge Truro, ressectfully announces his arrival on a professional visit, with a splendid assortment of his newly invented and improved Spectacles, and may be consulted at his office, on the Square, room over

Berry's Book Store, Nashville, Tenn. These celebrated Speciacles are made of Brazilian Sand, and known under the name of Brazilian Pebbles, and constructed in accordance with the philosophy of nature, in the peculiar form of a concavo-convex mirror, admirably adapted to the organ of eight, and can be used by the old and the young to pursue the most minute employment, el-their by day or candle light, with perfect ease, and never suse that giddiness of the head or unpleasant sensation to the eyes that many experience from using the common kind, but tend to strengthen and improve the sight, as will be seen by the following testimonials from those using them. TESTIMONIALS.

From J. H. McMahon, Esq., Editor Memphis Bulletin. Man. J. H. Semmons—Sir: The use I have made of the pair of Glasses obtained from you, satisfies me of the utility and value of the form and material by which they are distinguished. Without magnifying the object beyond the size apparent to the atural vision, they render it distinct and ear without fatigue to the eye. So far as my limited experience extends, I am very much pleased with them.

Very respectfully your ob't serv't,

J. H. McMAHON.

From the Rev. Dr. J. T. Edgar. NASHVILLE, Aug. 4, 1855. MR. SEMMONS-Dear Sir: Having used, for some time past, a pair of your newly invented "Brazilian Pebble Spectacles," I feel no hesitation in testifying to their superiority over any glasses heretofore known to me. In addition to their unequalled purity of surface, they impart, from their pecu-liar mechanism, a visual case and comfort, preserving alike all sense of pain or uneasiness to the eye, however long at any one time they may be used.

Very respectfully your friend, From Hon, Cave Johnson, President Bank of Tennessee. NASHVILLE, Aug. 12, 1855. DEAR SIR: I have for several weeks used a pair of your Brazilian Pebble Speciacle and have no hesitation in stating that I consider them much superior to any other ever used by me, and have taken plessure in recommending the use JOHN D. C. JOHNSON. Union and American Office, Nushville, Aug. 18, 1855. I have been using glasses for some four or five years, and during that time I have tried a number of different description and manufacture, some of which I thought very good; but a few days since I obtained a pair of Mr. Semmons' Brasilian Pebble Spectacles, have given them a presty fair trial and have no hesitation in saying that they are far superior to any thing that I have ever tried in that line. G. C. TORBETT.

From Hugh Erwin, Esq. NASHVILLE, Aug. 16, 1855. MR. Jas. H. SEMMONS-Dear Sir: The Brazilian Pebble Glasses that I purchased of you about two weeks since, have

proved fully equal to all you said respecting their good qualities. They are much superior to any I have ever used, and I would earnestly advise all who are compelled to use Spectacles to call at your office and procure a pair without I would not be without them for more than five times what Respectfully, yours, HUGH ERWIN.
